Please amend the claims as follows:

- a5*
1. (Amended) A method comprising:
over an area of a substrate, forming a plurality of three dimensional first structures;
following forming the first structures, conformally introducing a sacrificial material over the area of the substrate;
introducing a second structural material over the sacrificial material;
exposing a portion of the sacrificial material; and
removing the sacrificial material.
 3. (Amended) The method of claim 1, wherein exposing a portion of the sacrificial material comprises removing a portion of the second structural material.
 8. *a7* (Amended) A method comprising:
over an area of a surface of a substrate, lithographically patterning a plurality of first structures, the plurality of first structures having a first dimension about the surface of the substrate and a second different dimension;
following forming the first structures, conformally introducing a sacrificial material layer over the area of the substrate;
patterning the sacrificial material;
forming second structures over the sacrificial material; and
removing the sacrificial material.
 11. *a8* (Amended) The method of claim 10, wherein exposing a portion of the sacrificial material comprises removing a portion of the second structural material.
